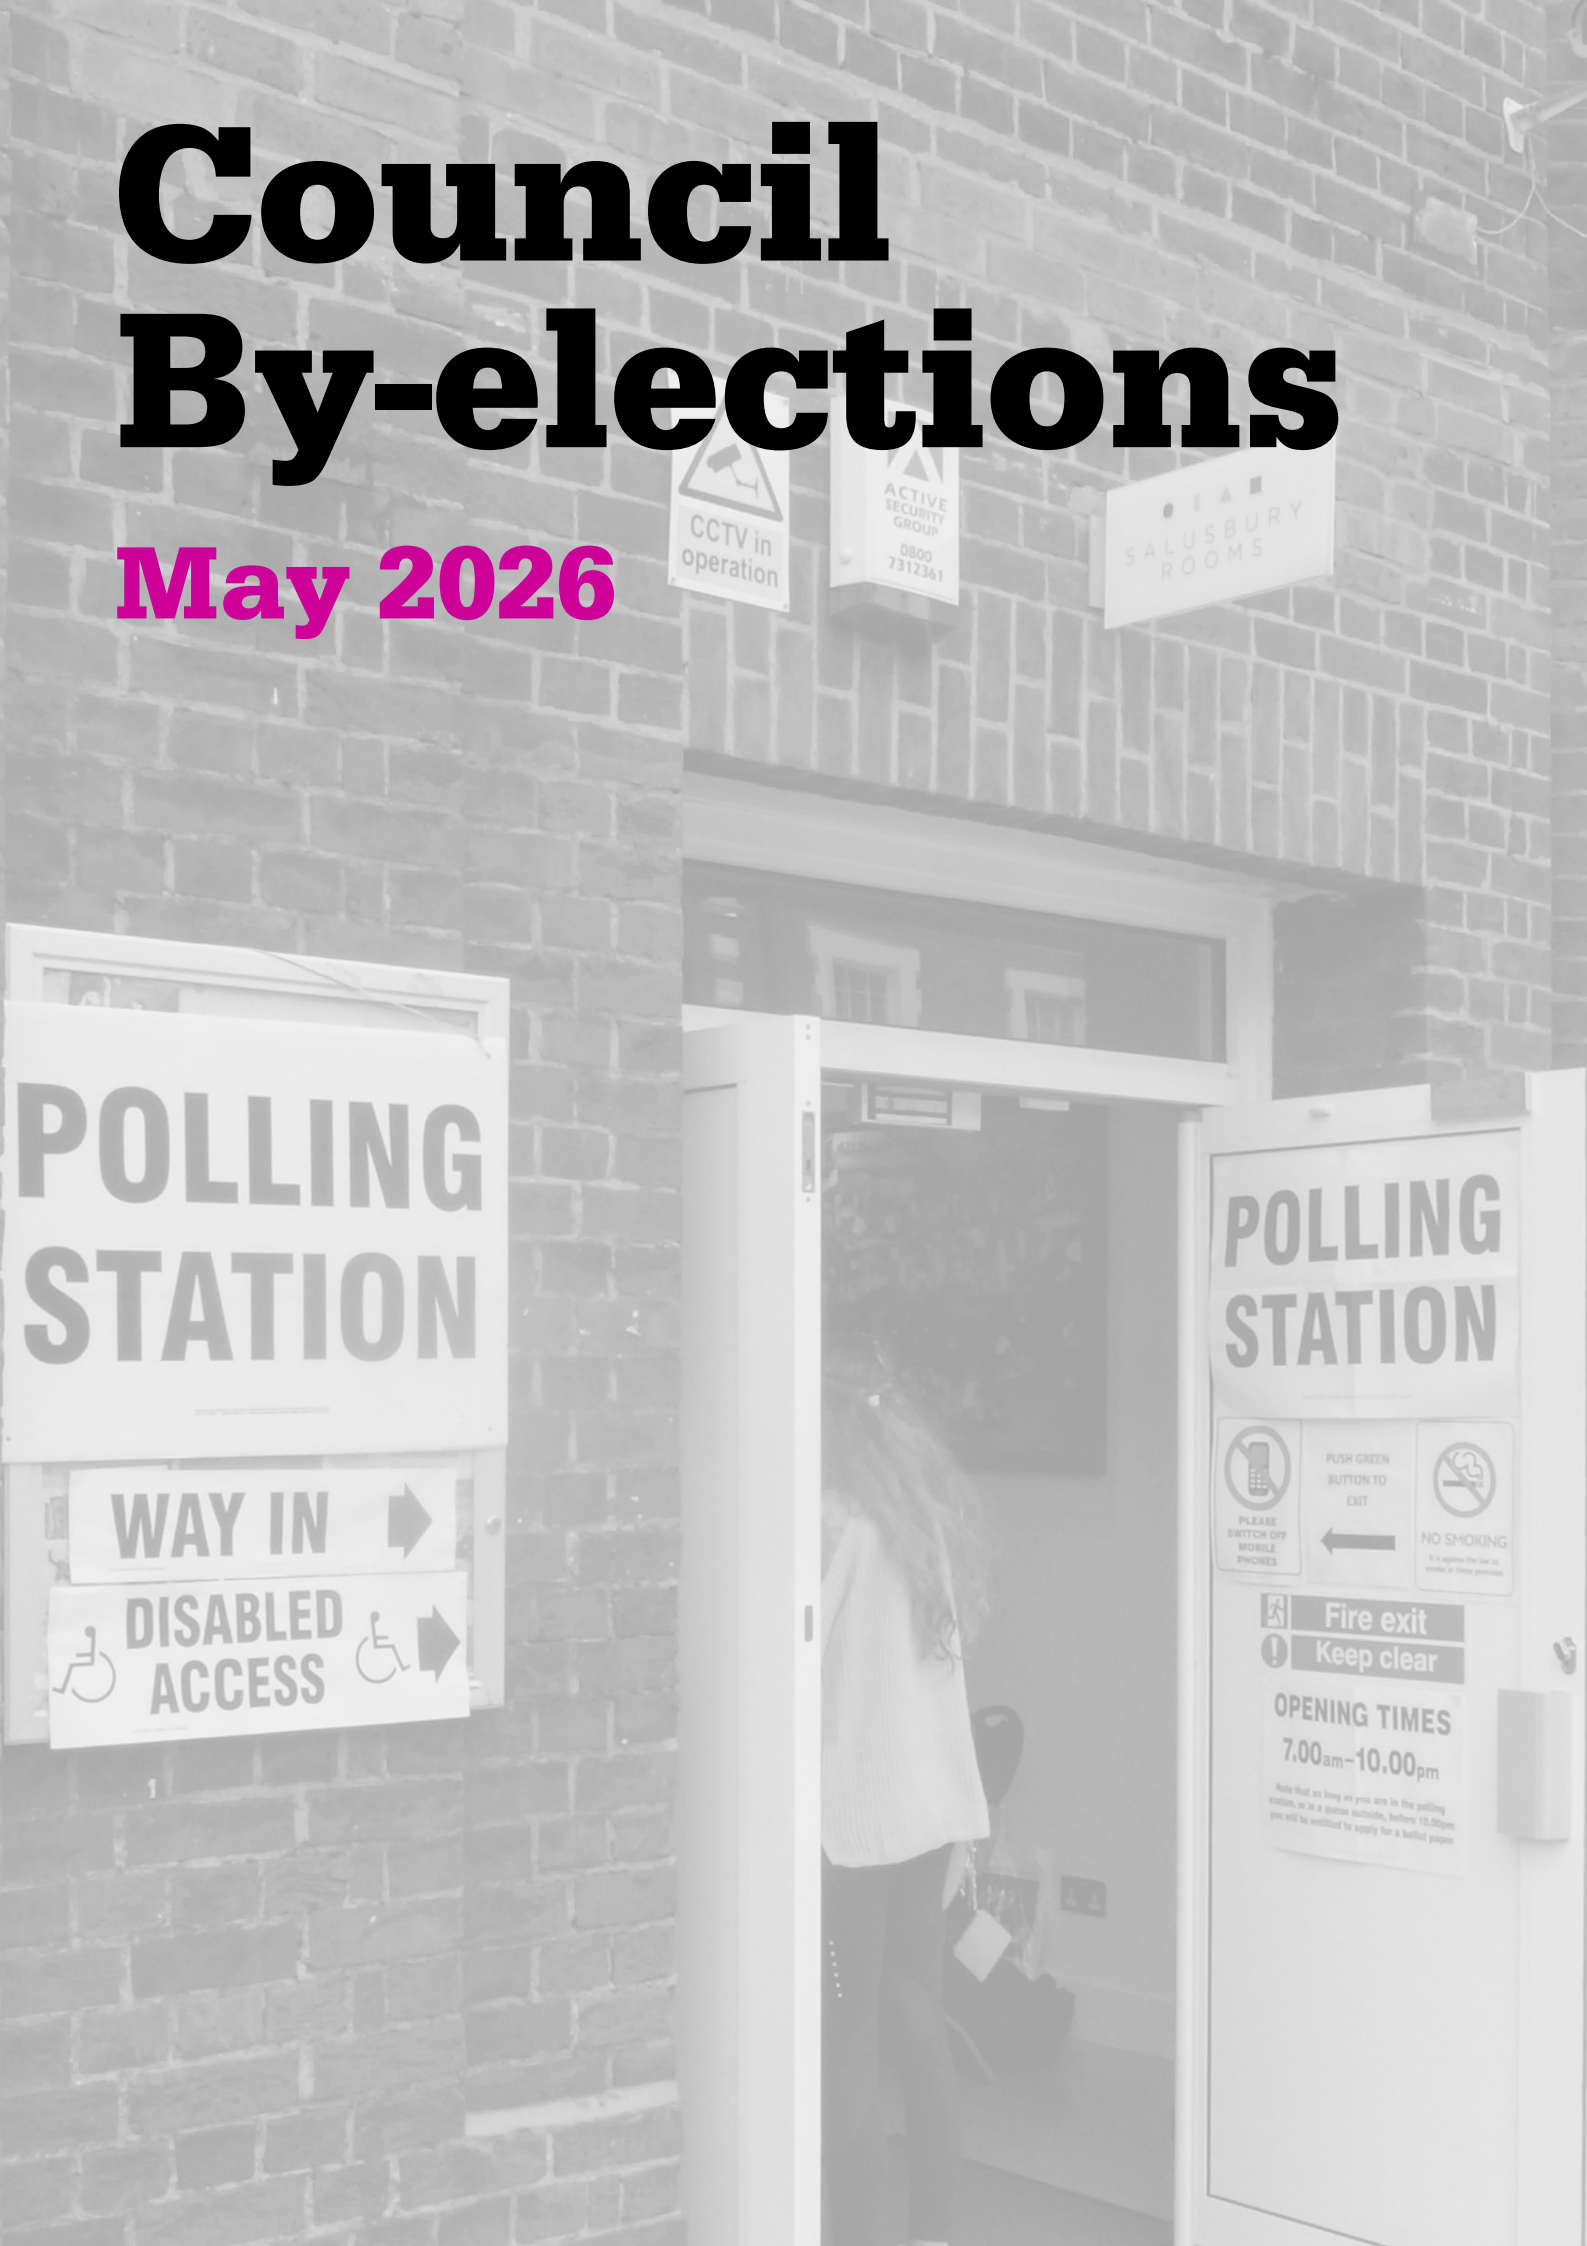
Council By-elections

May 2026



By-elections summary: May 2026

Ward names in bold represent gains. Ward names shaded grey are by-elections that occurred simultaneously with ordinary elections for that same ward on 7 May and the vote shares provided are the mean shares won by each party in those wards.

Ward	Council	Date	T/O	Con	Lab	LD	Grn	Ref	PC	Ind	Oth

Thursday 7 May

Some of these by-elections occurred in councils with scheduled elections in the same ward on 7 May.

Because the elections are combined, there is no perfect way of recording the result of the by-election distinct from the regular election.

As such the full "double" election result is provided. The winner of the by-election seat is always the winning candidate with the fewer votes.
